BULLYING AND HARASSMENT POLICY

1. POLICY STATEMENT
Lumen Christi Primary School is committed to providing a safe and respectful teaching and learning environment where bullying and harassment is not tolerated. Lumen Christi believes that all students have the right to learn in a school environment in which they feel safe and secure.

This Bullying and Harassment Policy should be read in conjunction with the Lumen Christi Student Engagement and Inclusion Policy

Scriptural Context:
‘All members may be concerned for one another. If one member suffers, all members suffer: if one member is honored, all members share this joy. You then are the body of Christ’
(1 Corinthians 12:25-27)

2. AIMS
- To explain what bullying and harassment are, and the fact that they are unacceptable and will not be tolerated.
- To ask that everyone in the school community be alert to signs and evidence of bullying and have a responsibility to report it to staff whether as observer or victim.
- To ensure that all reported incidents of bullying are followed up appropriately and that support is given to both victims and perpetrators.
- To seek parental and peer-group support and co-operation at all times.

3. DEFINITIONS
Bullying is when a person, or a group of people, repeatedly upset or hurt another person or damage their property, reputation or social acceptance. Bullying may be direct physical, direct verbal, indirect or cyberbullying. Bullying is not a one-off disagreement between two or more people or a situation of mutual dislike.

Bullying can be:
1. Direct physical bullying – e.g. hitting, tripping, and pushing or damaging property.
2. Direct verbal bullying – e.g. name calling, insults, homophobic or racist remarks, verbal abuse.
3. **Indirect bullying** – e.g. spreading rumours, playing nasty jokes to embarrass and humiliate, mimicking, encouraging others to socially exclude a person, damaging a person’s social reputation or social acceptance, or cyberbullying.

**Cyber-bullying** is direct or indirect bullying behaviours using any digital technology. For example via a mobile phone, chat rooms, social media. It could involve setting up a defamatory personal website or deliberately excluding someone from social networking spaces. It can be verbal or written.

**Harassment** is any verbal, physical or sexual conduct (including gestures) which is uninvited, unwelcome and which is reasonably likely to humiliate, offend, intimidate or distress a person. For example, teasing a student because of their speech impediment.

### 4. GUIDELINES

Lumen Christi Primary School will not tolerate bullying (including cyberbullying) or harassment. At Lumen Christi every person has a right to feel safe and any person who bullies or harasses another is denying them that right.

A school-wide approach will be taken to deal with bullying and harassment in a consistent and systematic way, with a focus on student safety and wellbeing.

Disciplinary measures will apply to students in breach of the behavior expectations established by the school and communicated through this Bullying and Harassment Policy and the Student Code of Conduct/Student Inclusion and Engagement Policy.

All complaints of bullying or harassment will be taken seriously and treated sensitively. This policy will be clearly communicated to students, parents and staff on the school’s website, through explicit classroom teaching and through newsletters from time to time.

Lumen Christi will

- Our school will provide preventative curriculum programs that promote resilience, life and social skills, assertiveness, tolerance, conflict resolution and problem solving.
- Student programs will be organised to raise student awareness about bullying and harassment, to provide a forum for discussion and to aid development of attitudes. Some matters will be dealt with formally in the curriculum and in peer support programs, leadership programs, extra-curricular programs, classroom discussions and occasional activities run by outside experts. The curriculum will include anti-bullying messages and strategies.
- Staff professional development programs will occur periodically to keep staff informed of current issues/strategies for dealing with bullying and/or harassment issues.
- An annual confidential bullying survey of the student body will be run and de-identified information will be used at staff and/or parent meetings

If students believe they are being bullied they may contact their classroom teacher in the first instance, or a staff member that they would prefer to discuss the matter with.

This policy will be reviewed periodically by Lumen Christi to ensure it reflects current practices and refers to up-to-date policy.

### 5. STUDENT SUPPORT

If any staff member feels a student is at risk from bullying and harassing behaviours they should discuss their concerns with the child, the Pastoral Care Worker and the Principal in order to ensure appropriate support for the student. It is important that staff document fully any actions taken in response to student bullying and/or harassment (see Appendix B).
Some strategies that might be used by the school to assist the student may include education in coping strategies; assertiveness training; problem solving, mentoring and social skills; counselling, peer support and behaviour modification.

**How will a student’s bullying complaint be dealt with?**
Refer to Tiered Response to breaches of Minor and Major Behaviours.
